March Generosity Report

This quarter, gifts and offerings were very strong. We are ahead of last year, and should be able to meet our year end goals if we stay on track. Your generosity enables us to bring you and your family opportunities to deepen your faith in many different ways. Won't you join the rest of us taking a next step along your generosity journey in order to make more disciples of Jesus Christ?

Fun Facts

- Over 800 people filled our sanctuary on Easter morning.
- Mission trips this quarter: 3 teams to Belize (37 people) and 9 people to Guatemala
- 17 people who either grew up here at HRMC or interned with us are now serving in full time Christian ministry.

We welcomed our GMC Bishop and Superintendent in February

GMC Bishop Mark Webb and Superintendent Scott Pattison spent the day with our clergy, laity and guests from other area GMC churches, to enlighten us, inspire us and challenge us. They did not disappoint.

Youth Director Joy Hook had this to say about the visit, "Bishop Webb painted a clear and compelling picture of the Global Methodist Church. He spoke with conviction about the truth of the Gospel and encouraged me in the direction the GMC is heading. What stood out to me was not only his clarity of vision, but also his kindness and compassion in the way he leads. It was exciting to hear about the growth of the Gospel, and I'm grateful to be working alongside leaders like Bishop Webb as we walk in faith and share the truth of Jesus with the world!"

And, from Pastor Matt, "A highlight for me was the conversation Scott Pattison had with 5 young adults from our church discerning God's call to pastoral ministry in the Global Methodist Church."

The vision of the Global Methodist Church is: through the empowerment of the Holy Spirit, the Global Methodist Church envisions multiplying disciples of Jesus Christ throughout the earth, who flourish in scriptural holiness as we worship passionately, love extravagantly, and witness boldly.
